TSA Minutes from February 17 Meeting

TSA had a great meeting on February 17 at Prospect Silicon Valley. All TSA Officers were present as well as 26 other TSA members.

11:55am The meeting was called to order by President Janae Scott. Treasurer report by Dave Mooso was given. No current balance in the TSA account was given, however a more accurate report will be given at the next meeting. There is no significant change in the account.

Janae started self-introductions. Total of 30 attendees were present for this meeting.

Stewart Wilkerson and Tom Rivard presented and trained our members on the architecture, design and concept of TS2 cabinets. Stewart started out training with an excellent powerpoint presentation on the technical differences between TS1 and TS2 cabinets.

Tom followed up with an actual hand-on demonstration of a cabinet in the Prospect Silicon Valley test laboratory.

After the exceptional presentation and training by Western Systems, Dr. Rajiv Mathur of Prospect Silicon Valley presented on the works and mission statement of Prospect Silicon Valley regarding the emerging Connected Vehicle concept and smarter, efficient energy innovations.

Lunch was provided to the group after presentations and a general round table of TSA topics was discussed such as membership dues, meeting topics, and any other ideas.

Meeting was adjourned at 1:15pm.
